

Essential Grooming Supplies

1. Your NPIP number should be taped to the inside of your grooming box.
2. Baby Oil – This is used to shine the shanks, feet, combs, and wattles of your bird.
3. Toothbrush – In case you encounter some hard to get “stuff” on the feet.
4. Blood Stop – In case you need to stop bleeding from anything.
5. Cotton Balls – Used for cleaning feathers or applying baby oil.
6. Clippers – Just in case you forgot to clip toenails or the beak.
7. Antibiotic Ointment – This is good for combs and wattles that have been scratched.
8. Silk Cloth – This is used to shine feathers of tight feathered birds. One cut from an old silk shirt or a silk scarf is perfect.
9. Wet Wipes – These are used to clean legs and feet at the last minute.
