Purpose

The purpose of this small animal project is to achieve the following:

1. To acquire an understanding of the animal industry by preparing for, purchasing, caring for and keeping accurate records on one or more animals.
2. To be able to identify the types and breeds of animals and employ efficient methods of production and marketing.
3. To understand the business aspects and economics of purchasing animals, feeds, facilities and equipment for an animal project.
4. To develop integrity, sportsmanship and cooperation.
5. To develop leadership abilities, build character and become responsible citizens.

It is very important that **every** section of this record book be complete and accurate. If you choose to not complete any section of this record book, this may result in a fine and disqualify you to show your animal as stated in the rule book.

Additional pages may be copied and added to this record book if you run out of space.

Important Dates

This is a record of the important dates during the duration of the animal project. This would include the day you bought the animal(s), washed the animal(s), attended clinics, taught small animal clinics, etc. Also add any showmanship, grooming, ask me booth and any other small animal project activities that you have participated in. **Add any other shows and other bonus project activities in which you participated.** Mark Bonus activities with a * next to the description.
