TO: HC Jr. Livestock Market Steer, Heifer, Market Swine, and Meat Goat Exhibitors

FROM: Highlands County Junior Livestock Committee (HCJLC)

SUBJECT: Alternative Tagging Options for Conflicting Show Dates

The HCJLC is aware of scheduling conflicts with certain Mandatory ID and Weigh-In dates. We have established alternative options to accommodate exhibitors participating with their HCJL Show animal in these conflicting shows.

BEEF EXHIBITORS (Conflicts with August 22, 2026, Mandatory Weigh-In):

Exhibitors **with an animal entered in both the HCJL Show and the August 21-22, 2026, JFCA Show** must meet the following requirements to miss the Mandatory Weigh-In on August 22nd:

- **Submit Proof of Participation:** Email your Showman entry receipt for the beef animal(s) entered in the HCJL Show to highlandsjuniorlivestock@gmail.com by **August 18, 2026, 7:00 PM**.
- **Alternative Tagging:** Bring your beef entry (or entries) to the HC Fairgrounds Large Animal Barn for tagging on **Monday, August 24, 2026, at 6:00 PM**.
- **Classification:** The animal will be videoed during tagging for classification confirmation (Brahman Influence or AOB). The same classification committee will review the video.
- **Note for Steer Exhibitors:** Steer Exhibitors using this accommodation **will not** be eligible to participate in the 2026-27 HCJL Show Weight Gain competition.

MARKET SWINE & MEAT GOAT EXHIBITORS (Conflicts with October 17, 2026, Mandatory ID Day)

Since swine and goat shows are not posted yet, a similar accommodation will be made if necessary.

Exhibitors **with an animal entered in both the HCJL Show and a conflicting swine/goat show on October 17, 2026**, must meet the following requirements to miss the Mandatory ID Day on October 17th:

- **Submit Proof of Participation:** Email the name of the conflicting show and your Showman entry receipt to highlandsjuniorlivestock@gmail.com by **October 12, 2026, by 7:00 PM**.

BEEF CATTLE CLASSIFICATION

57. To emphasize the Florida Commercial Cattle in our area, all beef cattle will be separated by classifications groups, Brahman Influence & All Other Breeds (AOB) and shown by weight within those groups. **(The Supreme Top Placings have been removed from the Show)**. If there are not at least five animals in a classification group for each of the steers or heifers the show for that division will not be separated into classification groups.
58. Beef Division entries will be declared during on-line entries and Classification will be confirmed at the Initial Weigh-In in August, conducted by a committee of individuals who have extensive knowledge of Bos Indicus Cattle. We understand that the classification of cattle is 100% subjective and that other shows/series/regions might have varying requirements from what is listed here. However, for this show the decision by the committee will be final on the group the cattle are classified within. The committee will use the following criteria for all cattle to determine if they classify as Brahman Influence all cattle that do not meet at least 3 of the 5 criteria listed below will be considered AOB.
- Naturally Slick Hair.
 - Dewlap must be prominent – the dewlap is defined as the skin from throat to brisket.
 - There must be an apparent crest on the neck
 - Sheath score for steers or naval score for heifers of a 2 or better.
 - Ears come to a point and naturally hang below horizontal (a.k.a. “broken”)
